A few words about clothes...

Even with the constantly changing trends in fashion, we should dress modestly and appropriately. These principles apply to both sexes:

1. Appropriate and modest clothing must be worn for all events such as general sessions, breakouts, free time and all other activities.
2. All clothing is subject to city students staff approval. If a staff member feels that an article of clothing is inappropriate, he or she will ask the student to change immediately.
3. Bathing Suits: We encourage full coverage swimwear. All students and leaders will be required to wear a t-shirt or rash guard with their swimwear. We ask that students wear dark, looser t-shirts.
